

COMMENT BOOK: BROOMFIELD HOUSE & PARK EXHIBITION, JULY 2018-APRIL 2019

J. Montain: Excellent exhibition. I learned a lot, even though I felt already know much about Broomfield House.

J. Wharton: Very interesting. I would love to see it back as it was. As child love to watch the bees flying in and out!

J. Doncaster: Having been to school in Foxlane in 1952 Broomfield park was part of my early memories most enjoyable.

Ted: This place is amazing because it tells you and shows you some of the wonderful things. Thank you for making this wonderful museum.

Joan: A wonderful exhibition. Thank you to all involved in the hard work putting on this exhibition. My family and I remember the area well. My son played in the park and used the baby clinic. My husband ran on the track in school athletics competitions.

Jo Pren: Lovely to be reminder of how Broomfield Park & House was in the 50s+60s.

D.P. Barnet: Thank you for an interesting exhibition. My parents and I moved to Southgate in 1955 and I remember Broomfield Park and House very well.

Benedita: I love this museum! Um beijo de Portugal!

Jane: I remember the House being so beautiful when I was a little girl.

Patrick Samuel: I can come again and again and always discover something new. A truly fascinating journey through Broomfield's rich history.

Abigail: This place is very historical.

Val: Very enjoyable. I like the video and love the music.

Lawin: It is so interesting seeing the past. Such an honour to be here!

Dunya: This museum is so good. I love how you have presented the museum.

Maya: This was very enjoyable and educational.

Gina Smith: Wow for me a fabulous nostalgic exhibition of Broomfield Park! I lived Hornsey N8 till 1974 and have vivid memories of childhood there. No mention of all the noisy budgies once there in cages! Remember the bees, the slide was huge, the boating lake, conservatory, war memorial garden and also a café I think. Amazing times with my parents.
